

TECHNICAL DATA SHEET

Date issued: 05.06.2018

DYNAMAX SPRAY WAX

1. Description

This technical sheet is valid for production , testing and delivery of DYNAMAX SPRAY WAX – a disperser.

DYNAMAX SPRAY WAX is designed for fast and easy color care.

Characteristics:

DYNAMAX SPRAY WAX leaves a high gloss even in dark and sensitive colors. Perfect for vehicles where this product can also be used as a polishing agent.

Advantages:

- Easy and fast application
- Incredible depth shine in show room optics
- Can also be applied to wet paint
- Ideal for care and protection of motorcycles
- Also applicable to smooth plastic

Physical state:

DYNAMAX SPRAY WAX is a fluid of light blue colour with a characteristic odour.

Application:

Before using the product, rinse the car from impurities and dry it. Spray the product onto the treated surface carefully and then brush it over with a soft cloth.

Do not use on hot surfaces or in direct sunlight.
